Physical Geography

River Stour

To help us use maps it is important that we know the address of different places. Do you know your address?

Here is the school address:

Newfield Park Primary School,
Whittingham Road,
Halesowen,
B63 3TP

The name or number of the building.

The name of the road or street.

The name of the city or town.

The postcode.

Try and learn your address off by heart.

Can you write a letter and send it to school?
